With Action dating the MOB TTC, ACDU Initial Join TTC 022 007 entry can be reported on same cycle. Initial Join date same as
MDay.

*(IRRs to be activated use TTC 826 000 MOB SEL)

UNIT OR DETACHMENT MOBILIZATIONS

Unit verifies MCTFS data

MISSA reports transfer to mobilization status via Dataset. Units
Will report TTC 022 007 Initial Join on same cycle as MOB entry
Below. Units do not report the TTC 826 in this instance. The following is done automatically.

TTC 826 001 MOB MCC ___ to MCC ___ EAS __ MDay ___
Action date 1 day prior to MDay
MOB MCC equal to Mobilization MCC
MCC equal to Gaining Command MCC
EAS (ECC field will populate after entry cycles)
MDay MUST equal 1st day of Active Duty (per orders)

GAINING COMMAND ACTIONS

INITIAL JOIN TTC 022 007

Action Date MUST equal MDay

EAS/ECC no longer required. MOB TTC 826 populates both fields.

EAS/ECC must not exceed Reserve ECC unless stop loss has been effected. ECC will be one da before RECC.
